

Hastings Song 2008

Melody: *I can see clearly now*

We are in Hastings now – the rain has gone
The FKG is so far away
Housekeeper Pepi, yes, he is the one
treating us right, right - every day (2x)

At Winchester College we were taught a lot
that manners makyth man is really hot
Gargoyles and grotesques keep the evil away
up in the heights, heights - every day (2x)

Bridge: Look all around, there's nothing but blue sea
Look straight ahead, there's nothing but blue sea

1066 is an important date:
the Normans took over, yeah, the Saxons' isle
Hailey's comet it was Harold's fate
it shone so bright, bright – for a short while (2x)

Simon the Pieman – oh what a feast:
yummy scones with creamy tea
Henry the VIII – oh what a beast
there was no light, light for women to see (2x)

Bridge: Look all around, there's nothing but blue sea
Look straight ahead, there's nothing but blue sea

Chaucer's Can-terbury Tales we saw,
the mighty Cathedral – oh what a fine day
Romans arrived on Britain's long green shore
We're sorting tiles, tiles in a great way (2x)

Rain's back in Hastings now and we're gone
Driving back with old Kasimir
Ideas, impressions, oh, we have won
showing you right, right all of them here! (2x)
